Good news is, the drought year is almost over! Come on rain!! We had our end of season party and, as usual, Matt and Ed did a really fun job of the trophy presentations. Thank you both for all the time, energy and thought into each one of them. The ballots were passed out but once again there were no names to choose from so it appears to be predetermined. Both Bridgette Bowers and Rachel Hadley stepped up to the plate at the very last minute, swear there was no alcohol involved in the decision making, and are now on our 2016 Board. Looks like we have a strong Board once again. Thank you all for volunteering to be on the Board! As always the food and conversations were great and the moon with the huge ring around it was a nice ending of the evening. Our next general and Board meeting will be November 10 and although there's really not a lot to discuss we can still enjoy the potluck and beautiful evening so hope to see you there, if not I hope everyone has a wonderful Thanksgiving. See you in the yard!

Well by the time you read this I will have only one month remaining of my three year term as Vice Commodore, Commodore and Past Commodore. It has been a pleasure serving the LYSA Board and membership. We have some many great members who make the monthly meetings and functions very enjoyable. I hope every member can step up and do their part. Without participation, we have no club.

On a happier note our year-end party, election of officers and Matt & Ed awards was a fun, well-attended event. Held on Saturday October 24th almost fifty LYSA members gathered for a beautiful evening of eating and socializing at our clubhouse.

The 2016 LYSA Board was elected and the winners are...

- Commodore Jay Sousa
- Vice Commodore Bridgett Loeffler
- Past Commodore Peg Larson
- Treasurer Diane Sousa
- Secretary Chris Martin
- Racing Rachel Hadley
- House Linda Sorensen
- Docks John Larson
- Cruising and Social Matt Loeffler

Please make sure to save the date or our annual LYSA Christmas party at the Fish and Game Club at Lake Yosemite. This fun and popular party is set for Saturday December 12th. Watch your E-mail for more details in the weeks to come.

Also our next club potluck/meeting is Tuesday November 10th at 6:30. Please bring a potluck item to share and your own drinks.

Some columns are hard to write. This is one of them.

LYSA has lost two members of our sailing family this year. Tim Jantzen passed away earlier this year from pancreatic cancer. Tim and his wife Ruth had been members of the club for years. Tim is greatly missed as a club member and a friend.

Many of you by now have heard of the passing of Dave Mosher, also from cancer, on October 22nd. Dave was one of the best sailors and mentors that LYSA has known. He was a fierce racer but always took the time to help other sailors to improve. He would often hop aboard a boat on our Thursday night races to help an inexperienced racer do better. Dave also gave of his time to put on race clinics for our membership. A memorial service for Dave will be held on Saturday November 21st at 11:00AM at Valley Community School in Atwater.

As we head into the holiday season please keep Ruth and Katie and all of Tim and Dave's families in your thoughts.

This article will also be roughly my 35th Light Air article. It is hard to comprehend writing that many articles. I hope some of them have been enlightening. Of course, I can still be creative and submit articles whenever I want to. However, I might take a little breather.

The past 2 years have been unusual to say the least and somewhat challenging. Without water it makes it a little difficult to run a "sailing" club. However, in spite of our challenges, our regular LYSA events have been very successful and our Thursday night dinners have been very popular. Thanks to all of you for attending. And, a special thanks to the others who donated the delicious main courses.

Next year sounds a lot more promising in terms of water and SAILING!!

I wish all the best to the new Board members for a wonderful 2016 season.

Happy Sailing!!

Fondly,

Suzanne

Hello All,
 October has come and gone. Ed, Mike, and Bryan took their friends and family to Monterey and it sounds like they had a great time sailing with whales. We had our awards and elections party. I think the food was great, and as always the company was better. I'm sure you have seen in other people's reports that new officers were selected and I'll be with you another year. Ed and I passed out 7 "Ed

and Matt" awards, mostly honoring the great people that cooked wonderful Thursday night dinners. Plus one special award going to Mr. Thom for his expertise at catching mice.

Now I want you all to start getting ready for the End of the Year Christmas party. It will be held at the Fish and Game building again, and is scheduled to happen on December 12, a Saturday. Dinner is slated to start at 6, appetizers at 4 or 5, depending upon when you get there. Please bring something nice and Christmassy. And I think we should keep the "New Tradition" of the Ugly Christmas Sweater contest going. So get those knitting needles flying. See you there and keep all those good vibes going to get more

Discussion regarding members who would like to run for Board positions. John will run for Dock Captain, If we do not have a vice commodore, we will not have a commodore, The club will not exist. Our Articles as a non-profit indicate that there will be a vice commodore to serve as commodore. If we do not have a commodore, we will not be able to act as a non-profit.

Dennis: we need to have new, fresh members to have the general membership views represented.

Peg: suggestion – if you have a Board that listens to the General Membership, there is nothing wrong with keeping the same members on the Board. might be a good idea to keep the same Board. Something to think about.
