## Slip MOVE Request

My signature below confirms my desire and formal request to be placed on the Slip Move List.

The terms and conditions are as follows:

1. Current slip renters are added to the bottom of the list in the order of receipt of this signed move request and move up in chronological order as slips become available. No priority or consideration is given other than longevity on the list.
2. When a renters' name comes up on the list, they shall be offered their choice of available slips. Renters may pass or decline slip move offerings and their position on the list is preserved. Upon acceptance to move to an available slip, renters shall relinquish their currently assigned slip.
3. It is the renter's responsibility to report any address or phone changes to LYSA. If LYSA is unable to reach the renter with the information provided, their name will be removed from the list.
4. Move requests may not be transferred to other individuals, businesses, or legal entities, nor can other names be added to the request.
